**with the keynote speakers: Johanna Linsberger, Dr. Werner von Trützschler, Dr. Isabelle Brianso, Anna Marconato, Joseph Stockinger**

- How realistic is the aim to develop fully inclusive museums and what is the difference to an accessible museum?
- How do the regulations between constructional accessibility and monument preservation go hand in hand or hinder each other?
- What information and support would museums need for their development towards full accessibility?
- Which challenges do exist between international, national and regional regulations?
- What do people with special access needs really need and how can museums provide it not only to access the museum but also to experience its exhibition?

3:30 p.m. - 4:00 p.m.:

***Conclusions***
